120 HCTM paediatric patients receive raya contribution from TEKUN

Last update: 22/05/2018

KUALA LUMPUR, May 22 (Bernama) - The National Entrepreneur Group Economic Fund (TEKUN Nasional) today handed out Hari Raya contribution to 120 patients at the paediatric ward of Hospital Canselor Tunku Muhriz (HCTM), here.

The agency's senior deputy chief executive officer (Corporate), Datuk Adam Abdul Ghani said the TEKUN Nasional and Pusanpita visit programme at this paediatric ward was one of its corporate social responsibility projects and it received the cooperation of Pusanpita Tekun Nasional.

"This is the fourth year that TEKUN Nasional is visiting the paediatric ward in conjunction with Ramadan. Through this programme, we want to bring joy to the children with a gift of hampers and duit raya," he told Bernama.

Since 2015, TEKUN Nasional has chosen the paediatric ward of a hospital to receive the Raya contribution. Past recipients had been paediatric patients at Kajang Hospital, Serdang Hospital and Ampang Hospital.

Also present at today's visit to HCTM's paediatric ward were Pusanpita TEKUN Nasional chairman, Datin Hanika Hashim, HCTM Kuala Lumpur Campus deputy director (Network, Corporate Communications and Health Technopolis), Prof Dr Sabarul Afian Mokhtar, and HCTM Paediatric Department head, Assoc Prof Dr Hasniah Abdul Latif.

While welcoming contributions to the hospital and its patients from various parties, Prof Sabarul Afian said with the expected completion of the HCTM Paediatric Hospital construction next year, the hospital would be receiving more patients and having more medical specialists.
